SALARY RANGE:	\$ 7,815.00 - \$ 8,616.00 / Month	BULLETIN ID:	03172011_2

POSITION DESCRIPTION

- Pending SPB/DPA approval
- CalPERS offers a performance award program with the ability to earn an award up to 15% of base pay

BACKGROUND

CalPERS is the largest public pension fund in the United States with a current investment portfolio of over \$230 billion. It serves approximately 1.6 million active members, retirees, survivors and beneficiaries through its retirement and health benefit programs, and pays over \$11 billion in retirement benefits annually. The membership in CalPERS' retirement program is comprised of roughly one-third State employees, one-third employees of local public agencies that contract with CalPERS for retirement benefits, and one-third classified school employees. In addition to the well-known retirement program, CalPERS administers a health program that serves over 1.2 million members in the Health Program.

DUTIES/RESPONSIBILITIES

Under the general direction of the Chief, Customer Account Services, the incumbent has full management responsibility for all aspects of the Health Account Services Section. This Section, within the Customer Account Services Division oversees the health enrollment and eligibility for State and public employees, retirees, and their families, and also handles members' requests for administrative hearings as well as requests for extended coverage to over-age dependents. The Section also assists health plans, health benefit officers from state and public agencies, school districts, and members by providing eligibility determinations and enrollment services.

The Assistant Division Chief, Health Account Services implements the CalPERS mission and goals as they relate to the Health Account Services Section by providing policy and general direction to managers and staff, and by interacting with the Board of Administration and Health Benefits Committee concerning a broad base of member and employer health account related issues. The incumbent effectively represents the System before State agencies, school superintendent offices, local public agencies, external consultants, and numerous statewide organizations, as well as the Legislature and the general public, in matters relating to the functions of the Health Account Services Section. The incumbent also provides policy and program direction to staff on the interpretation and dissemination of information regarding the Public Employees' Retirement Law (PERL), Public Employees' Medical and Hospital Care Act (PEMHCA), regulations, and policies related to health benefit eligibility, enrollment, and other issues impacting the CalPERS Health Benefits Program.

MINIMUM QUALIFICATIONS

Applicants must meet the following minimum qualifications:

Either I

Must be a State civil service employee with permanent civil service status or who previously had permanent status in the State civil service.

Or II

Must be a current or former employee of the Legislature, with two or more consecutive years as defined in Government code § 18990.

Or III

Must be a current or former non-elected exempt employee of the Executive Branch with two or more consecutive years (excluding those positions for which salaries are set by statute) as defined in Government Code § 18992.

Or IV

Must be a person retired from the United States military, honorably discharged from active military duty with a service-connected disability, or honorably discharged from active duty as defined in Government Code § 18991.

KNOWLEDGE AND ABILITIES

Applicants must demonstrate the ability to perform high administrative and policy – influencing functions effectively. Such overall ability requires possession of most of the following more specific knowledge and abilities:

- (1) Knowledge of the organization and functions of California State Government including the organization and practices of the Legislature and the Executive Branch; principles, practices, and trends of public administration, organization, and management; techniques of organizing and motivating groups; program development and evaluation; methods of administrative problem solving; principles and practices of policy formulation and development; and personnel management techniques; the department's or agency's Equal Employment Opportunity Program objectives; and a manager's role in the Equal Employment Opportunity Program.

(2) Ability to plan, organize, and direct the work of multidisciplinary professional and administrative staff; analyze administrative policies, organization, procedures and practices; integrate the activities of a diverse program to attain common goals; gain the confidence and support of top level administrators and advise them on a wide range of administrative matters; develop cooperative working relationships with representatives of all levels of government, the public, and the Legislature and Executive branches; analyze complex problems and recommend effective courses of action; and prepare and review reports; and effectively contribute to the department's or agency's Equal Employment Opportunity objectives.

These knowledge and abilities are expected to be obtained from the following kinds of experience with substantial participation in the formulation, operation and/or evaluation of program policies (experience may have been paid or volunteer; in State service, other government settings, or in a private organization):

CEA Level 1. Supervisory/administrative experience in a line or staff activity, including the execution and/or evaluation of program policies.

CEA Levels 2 and 3. Broad administrative or program manager experience with substantial participation in the formulation, operation, and/or evaluation of program policies.

CEA Levels 4 and 5. Extensive managerial and program administrative experience which has included substantial responsibility for a combination of management functions such as program planning; policy formulation; organization coordination and control; and fiscal and personnel management. Where high technical professional qualifications are of primary importance in performing the duties of a given CEA position, then the above required experience may have been in a staff capacity exercising professional skills to influence and contribute to program, policy, and methods of providing those professional services. Primary examples are medical doctors and attorneys.

DESIRABLE QUALIFICATION(S)
